

Orthodontics

James Moses, DDS, MS

Dental School:
University of Michigan School of Dentistry

Residency:
University of Michigan School of Dentistry

Dr. Moses is an associate of the Geisinger Dental Department. Using an interdisciplinary approach with dentists and physicians, Dr. Moses offers comprehensive orthodontic and dentofacial orthopedic care to patients of all ages.

Dr. Moses has extensive training in:

- Advanced orthodontic techniques
- Craniofacial anomalies
- Growth and development
- Interceptive care of children including correction of dental crossbites, deleterious habits, orthopedic discrepancies, and esthetic concerns
- Orthognathic surgery

State of the art treatment includes use of:

- Low Profile Braces
- Ceramic Braces
- Invisalign® Clear Aligners
- Lingual (Tongue Side) Braces

For the convenience of your patients we provide extended hours, free initial evaluations, and affordable payment options.

We welcome the opportunity to partner with you in the care of your patients. For more information, or to refer a patient, call our physician referral hotline at 1.800.322.8901.
